

PRODUCT OVERVIEW

ETI Lighting's Capella Commercial Downlights offer **quality and flexibility for 120-277V commercial applications**—with **4 Color Preference®**, and **3 Lumen Boost®**.

Luminaires have a deep recessed look with soft, diffused light quality for visual comfort and minimized glare.

These efficient commercial downlights have a classic feel, and feature a 90+ CRI, and a wet-location rating. Ideal for **new construction projects** (can also be used for retrofits) in multifamily, retail, restaurants, hospitality, offices, and more.

INNOVATE. ILLUMINATE. INSPIRE.
