

## PRODUCT OVERVIEW

ETI Lighting's Selectable Commercial Wrap Lights feature **3 Lumen Boost®** field-selectable power levels and **3 Color Preference®** field-selectable CCT options. With 0-10V dimming, these wraps are ideal for various commercial applications, including gyms, locker rooms, garages, and more.

Integrated LED with diffused lens

Long Life: >150,000 hours (L70)

3 CCT: 3500K, 4000K, 5000K | CRI: 80+

-4°F and +113°F (-20° C and +45° C).

Model #	Description	Energy/Performance		Dimensions/Weights			
		Watts (3 selectable)	Lumens	L	W	H	weight (lbs)
C03038501A	2' x 6" Selectable Commercial Wrap	12/17/22W	1700-3150	24.0"	6.0"	3.0"	2.6
C03039501A	4' x 6" Selectable Commercial Wrap	23/34/45W	3300-6300	46.0"	6.0"	3.0"	4.8
C03040501A	4' x 10" Selectable Commercial Wrap	28/38/55W	4200-8100	46.0"	10.0"	3.0"	6.5

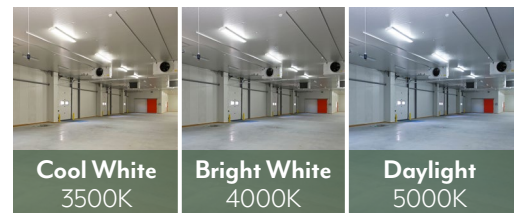

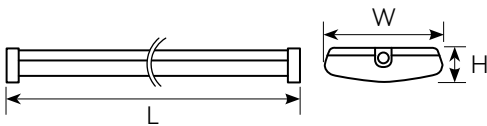

Easy access to CCT & Wattage Select switch underneath lens

Series	Length	Width	Power	CRI	CCT	Voltage	Dim.
SCWR	2 (2')	N (Narrow - 6")	LB3	8	CP3 <sup>2</sup>	MV	LVD
Selectable Commercial Wrap	4 (4')	W (Wide - 10")	(Lumen Boost)	80+ CRI	3 CCT	120-277V	0-10V Dimming

Notes:

- 2' is available in N (Narrow - 6" width only).
- Ships at lowest CCT. Installing contractor responsible for ensuring desired CCT selected during installation.
