

PRODUCT OVERVIEW

ETI's Anoma Series 46" Shop Lights are powerful, linkable plug-in lights with standard and high output options. These integrated LED lights offer **3 power levels via pull chain**. They include Dry Wall and Hanging Mounting Kits, and they have an attached 5' Cord and pull chain with ETI finial. They have a CCT of 4000K with a pleasant light quality and are 80+CRI. These long-lasting lights are ideal for garages, workshops, and more.

Integrated LED with diffused lens, fixture: diamond plate texture / black end caps

Switch Between 3 Power Levels Via Pull Chain

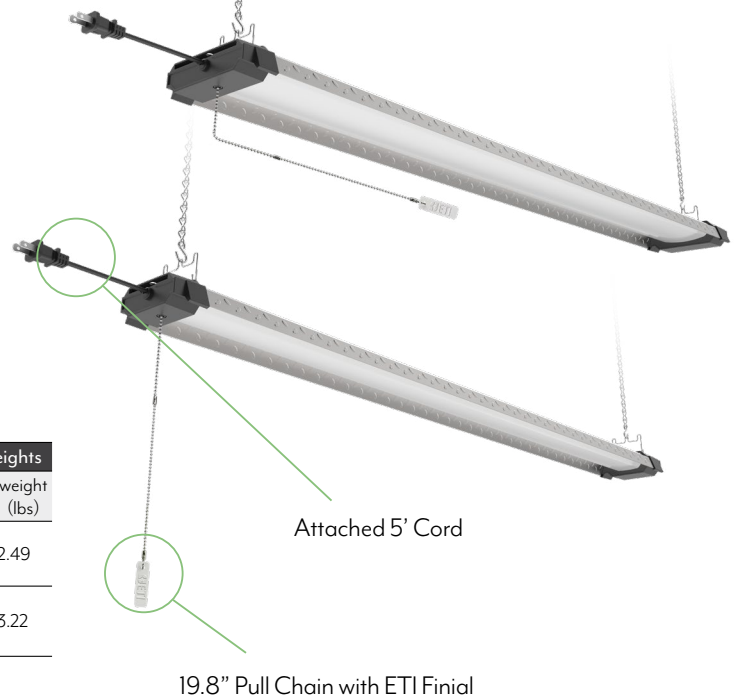

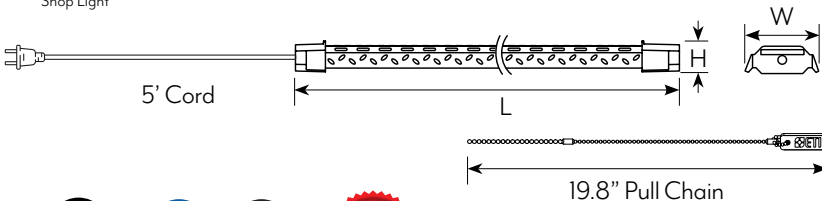

Long Life: > 150,000 hours (L70)

4000K | CRI: 80+

-4°F and +104°F (-20° C and +40° C).
