

PRODUCT OVERVIEW

ETI's ECO Strip Series features linkable plug-in strip lights with 5' power cord with on/off switch. These integrated LED lights offer **3 Color Preference®** field-selectable CCT options and a soft, comfortable light quality. They include Suspension Mounting Kits, and have linking cables available (accessory sold separately). These long-lasting lights are ideal for garages, workshops, utility rooms, basements and more.

Integrated LED with diffused lens and white post-painted formed steel housing

Linkable – End-to-End Connectors

Plug-In with included 5-FT plug or Hardwire
