DECÓR

Brilliantly Crafted LED Lighting for Inspired Living

ETI's Family of Residential Decorative Lighting offers choices to match any decor, convenient field-selectable color temperature options, and easy installation and mounting solutions.

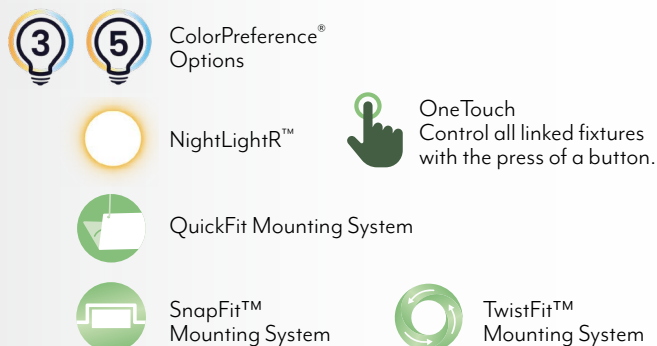

Choose the Ideal Style

From beautiful wooden accents to modern minimalistic designs, ETI's decorative assortment complements any style.

Icon Reference Guide

Customize Each Space

Many of our decorative fixtures feature ETI's patented Color Preference® field-selectable color temperatures or NightLightR™ convenient night light modes to help give each space the ideal look and function.

Fast, Convenient Installation

Decorative lighting installs are a snap with ETI's removable lenses on round flush mounts, our SnapFit™ system, and our Quick Fit Installation for linear flush mounts.

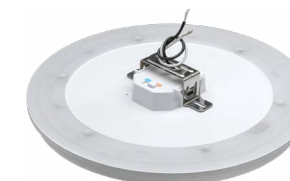

With the Quick Fit Installation Kit, simply mount the bracket to the ceiling and slide the fixture into place.

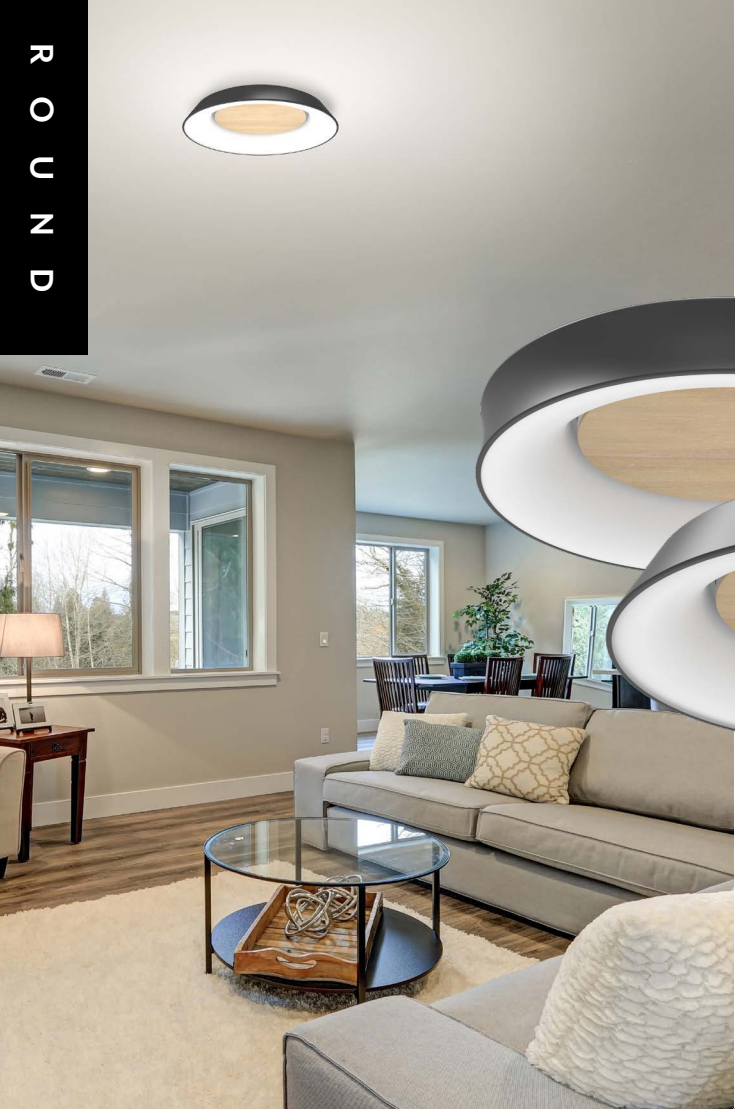

Attach TwistFit™ bracket to a J-Box, then effortlessly twist the fixture into the bracket for secure installation.

Secure SnapFit™ bracket to a J-Box, then effortlessly snap the fixture into place without the need for any tools.

Twist-off lens gives easy access to color temperature select switch to speed up installation.

PIVOT SERIES

With a clean, everyday look and feel, ETI's Pivot Series Flush Mounts complement any décor. Choose from 3 sizes or pair with our Linear Pivot Lights for further design continuity.

ASTORIA FLUSH MOUNT

Capture timeless charm with the Astoria Flush Mount. Featuring intricate black trim and a soft, diffused light quality, it brings refined elegance and a touch of class to any residential space.

ORBIT SERIES

ETI's Orbit Series combines a classic design with selectable color temperatures. Available in a range of sizes and shapes, Orbit Flush Mounts offer a cohesive style across a variety of spaces.

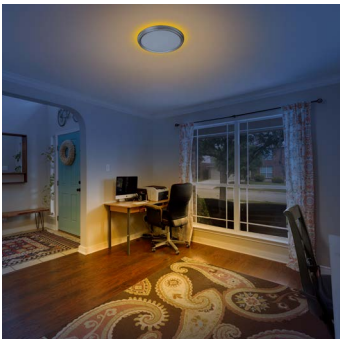

CENTURY SERIES

ETI Lighting's Century Series Flush Mounts offer a clean, modern design with versatility to complement a wide range of residential spaces.

LOWPRO SERIES

Sleek and low-profile, these flush mounts offer beauty, flexibility, and convenience. Available in White and Brushed Nickel finishes, they complement a variety of interior styles.

LOW PROFILE DISKS

A simpler version of the low-profile flush mount, our Low Profile Disks are beautiful, basic lighting options.

WELLEN SERIES

These classically designed fixtures are an ideal fit for a variety of styles. They come with and without nightlight feature.

VERMONT SERIES

Named after picturesque woodland scenes, these beautiful fixtures with real wood accents add modern comfort to any space. Fixture options include white finish with walnut accent and black finish with oak accent.

PIVOT SERIES

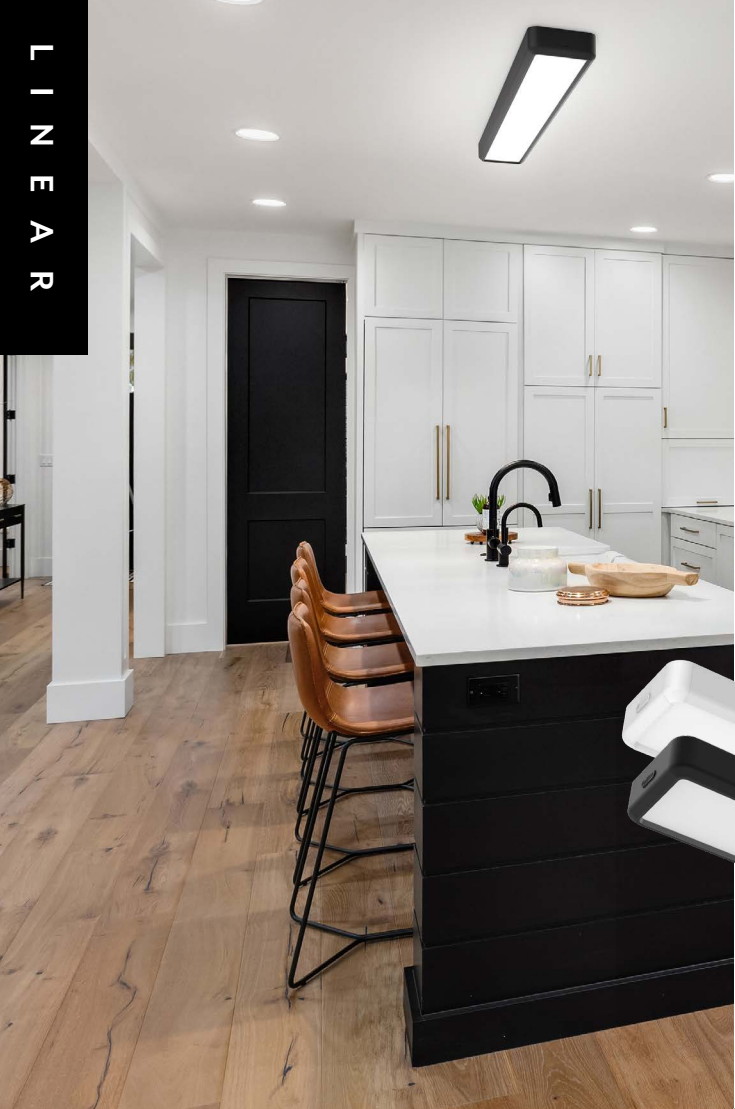

Less is more with our Pivot Linear Flush Mounts. These simple, modern fixtures nicely complement our Pivot Round Flush Mount Series and add minimalistic charm to a diverse range of spaces.

REVOL SERIES

With industrial rivets and bright light output, our Revol series of fixtures are ideal for modern industrial style spaces.

L I N E A R

RUNDEN SERIES

These clean, simple, linear flush mounts fit beautifully in modern kitchens over island areas.

RUTLAND FLUSH MOUNT

A simple, yet elegant design makes ETI's Rutland Flush Mount markedly unique.

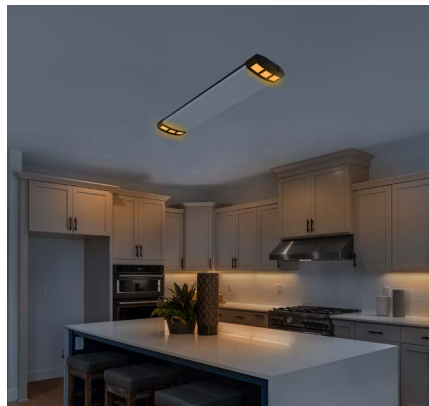

ESSEX FLUSH MOUNT

This unique light, featuring walnut trim and black corner accents, adds both beauty and functionality, making it the perfect accent for any room.
