

PRODUCT OVERVIEW

ETI's Selectable Strip Series offers versatile lighting solutions with 3 Color Preference® field-selectable CCT options and 3 LumenBoost® selectable light levels. Available in both rounded and square tube designs, these integrated LED strip lights come in 4' and 8' lengths to fit a variety of applications. Designed for easy installation and long-lasting performance, they deliver customizable, high-quality illumination.

Integrated LED with diffused lens and white post-painted formed steel housing

Long Life: > 150,000 hours (projected L70)

3 CCT: 3000K, 4000K, 5000K | CRI: 80+

-4°F and +104°F (-20°C and +40°C).
